when combining core product categories.

Builders FirstSource prides itself on being a one-stop-shop for all your building needs.

We would like to grow a partnership with you as you rebuild your single-family residence. Our **Fire Rebate Program** was created for those tragically affected by the 2025 wildfires within the specified zip codes* and provides special incentives when multiple products categories are combined on a singular project. Here is a list of the categories:

**Lumber, EWP
and Sheet Goods**

READY-FRAME®

Truss

**Structural
Hardware**

**Siding, Trim
and Decking**

**Windows
