Experience matters.

Selecting finish products is one of the most impactful parts of homebuilding—and one of the only parts of the process a homeowner may get to fully participate in. BMC Design Centers make that experience more inspiring and productive for everyone involved.

YOUR EXPERIENCE

Products

Decorative moulding, custom millwork, designer hardware, doors, stairs, cabinets and windows—BMC Design provides all the options your customers want.

Design

BMC specialists use product and design expertise to inspire and guide selection, manage expectations and meet budgets.

Differentiation

Innovative design helps you stand out in your market. If you can dream it, we can build it to spec and ship it anywhere in the US.

Construction

BMC construction pros employ years of building experience to ensure all finish options meet your structural and design requirements.

YOUR CUSTOMERS' EXPERIENCE

Selection

BMC Design Centers exhibit finish products the way they were meant to be seen and offer a professional meeting space for you to make a good impression and inspire design choices.

Comfort

Consolidated product offerings, inspiring displays and a beautiful, non-construction environment offer a more sophisticated experience and put homeowners at ease.

Customization

Innovative products and custom doors and millwork allow customers to add their own creative, personal touches to their new home.

Support

Our specialists are on hand to guide your customers through product selection with an eye for design, backed by BMC's construction know-how.

The experience starts here.
