OUR PRODUCTS

BMC's national supplier relationships allow us to work directly with manufacturers on your behalf, cutting out the wholesale middleman. This means better pricing, better response time and faster shipping. We can buy in bulk so you get the best deal, and then store it in our facilities until you need it shipped to your jobsite. That's what we call "right-timed" delivery.

Lumber & Building Materials Framing and finish lumber, adhesives and sealants. moisture barriers and more.

SERVICE YOU CAN COUNT ON — FROM COAST TO COAST.

OUR SERVICES

Millwork Manufacturing & Installation

BMC Millwork manufacturing is second to none with the ability to service customers from coast to coast. With established labor connections across multiple markets and manufacturing sites across the country, BMC can build your door units on a standard spec across multiple geographies. This also means quick response time on the job when you need us.

"Our single mission as a company is to deliver what our customers need, when they need it, exactly how they want it—from the initial quote to the final bill. Ultimately, our vision is to be the preferred supplier, employer, distributor and partner in our communities."

DAVE FLITMAN / PRESIDENT & CEO

WHAT OUR CUSTOMERS ARE SAYING

BMC has been fantastic to work with. They are a valuable partner and they help with project management, budgeting, product selection, scheduling, and value engineering even months before actual construction begins. They are attentive to our needs and they have been able to deliver all materials on time. BMC has saved us at least two superintendents on this project. Their financial strength and standing gives us extra confidence and peace of mind.

JEFF GARRETT / SVP OF VISTA REALTY PARTNERS, ATLANTA, GA

We buy from BMC because they have a range of so many different products and services. They are more than just a trim company. They help us solve challenges and keep us from having to hire specialty subs for the high-end designs we put in our clubhouses. They value engineer to help us keep costs down and they keep us on schedule. Most importantly, they tell me the truth. Communication is everything in our industry.

THOMAS BROCKWAY / GENERAL SUPERINTENDENT OF WOOD PARTNERS, DALLAS, TX

OUR VALUES

These are the values that BMC was built on—and they continue to inspire every customer interaction we have and each business decision we make.

CUSTOMER PRIORITY

Customers come first. No matter what.

PEOPLE COUNT

Hire the best, win as a team, and support our communities.

INTEGRITY MATTERS

Protect our trusted reputation. If you say it, do it.

BE THE BEST

Innovate, evolve quickly, and continuously improve.

DEDICATED SAFETY

Be safe in everything you do.
