

PRO TOOLS

Objective

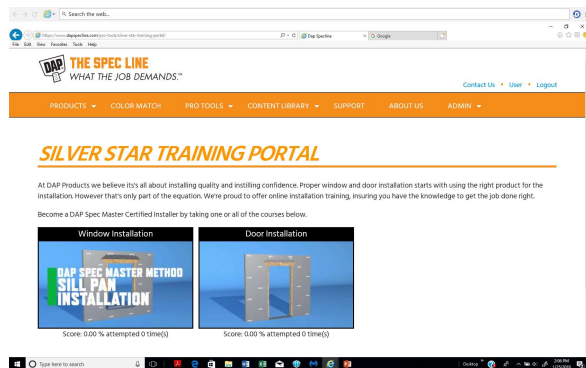

- Provides professional contractors with value added training
- Help promote industry best practices for door and window installations
- Leverage content developed to support DAP Dealer Partners who have their own training platforms

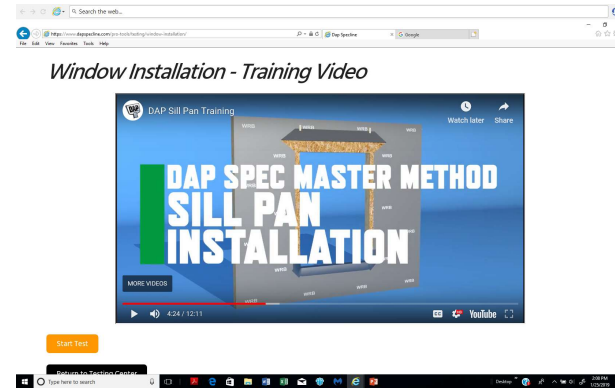

www.dapspecline.com

SUPPORT

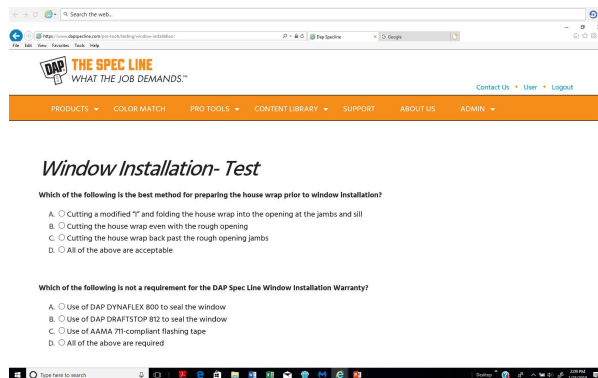

How it Works

Step 1. Log On Create Account

Step 2. Select and View Training Course

Step 3. Take Test to Verify Knowledge

Step 4. Receive Certification from DAP
(Certificate and Wallet Card)
