INTERLOCKING WALL PANELS

Easy installation with glue and nails

The one and only. Bold by design.

Finium is a Canadian company active in North America and Europe. Innovative architects and designers have incorporated our premium products into thousands of projects over the past 20 years. Finium offers residential and commercial solutions that stand out for their unique effect, manufacturing quality, and ease of installation.

Inimitable. Audacieux. D'une grande richesse esthétique.

Finium est une entreprise canadienne d'envergure internationale présente dans plusieurs pays d'Amérique du Nord et d'Europe. Depuis 20 ans, nos produits haut de gamme s'intègrent avec harmonie et audace aux projets de milliers d'architectes et de designers innovateurs. Autant en application résidentielle que commerciale, nos produits se démarquent par leur signature unique, leur extraordinaire qualité de fabrication et leur facilité d'installation.

A woman with long hair, wearing a dark polo shirt with a logo and dark pants, stands in a warehouse. She is holding a large stack of wooden planks horizontally across her body. The background shows tall metal shelving units filled with boxes. The entire image has a light, semi-transparent overlay.
