The Woodview™ Collection

Prefinished Molded Interior Doors

It's not wood . . . it's Woodview™.

Enjoy the look of real wood with our premium prefinished interior doors.

JELD-WEN has developed the next level of interior doors, combining the durability of molded doors and artistry of hand-brushed finishing techniques to create the Woodview™ Door Collection. The illusion of real wood emanates through the rich, two-tone color process that makes each door unique and visually stunning. The Woodview Collection features:

- Aesthetics: Four prefinish color options—no painting, no clean up and no mess!
- Choice: Six different designs—a style to highlight and enhance any home.
- Quality: Molded door technology—no gapping or stile/rail separation.
- Value: Priced right—compare to a solid wood, field-applied stained door.

FINISHING PROCESS

JELD-WEN PROPRIETARY—MANUFACTURING GRADE FINISH

- Multi-step finishing process:
 1. Base coat applied
 2. First oven cure cycle
 3. Wood tone coat with artisan hand-applied finishing highlights
 4. Second oven cure cycle
 5. Clear protective coating applied
 6. Third oven cure cycle
