Will not burn; noncombustible**	✓	⊘	⊘
Will not melt	✓	⊘	✓
Does not appeal to pests	✓	✓	⊘
Hail and impact resistant	✓	⊘	✓
Resistant to warping, shrinking, and swelling	✓	⊘	⊘
Easily painted	✓	⊘	✓
Real wood look and feel	✓	⊘	✓

Scan to learn more about the lifetime value of Hardie® products.

Warm woodgrain texture without the cost and high maintenance of real wood.

5x thicker than vinyl siding provides deep shadow lines and less visible seams.

ColorPlus® Technology finishes are baked on at the factory for a long-lasting consistent finish.

Complete Exterior™ by James Hardie

Hardie® siding, trim, and soffit products are designed to work together, all reinforced by Hardie® fiber cement for an exterior that helps stand up to fire, moisture, pests, and the harshest weather conditions. Don't settle for partial peace of mind, protect every corner of your investment with a Complete Exterior™ by James Hardie.

ONE MATERIAL

Only Hardie® fiber cement products are **Engineered for Climate®**, helping to resist damage from fire, water, and insects that delivers optimal performance for your home's specific region.

ONE MANUFACTURER

Get added peace of mind with siding, trim, and soffit all on the same 30-year non-prorated warranty. One manufacturer to contact makes your life easier.

ONE MAINTENANCE CYCLE

Rest easy knowing that all your siding, trim and soffit is the same Hardie® fiber cement material. With all the products sharing the same lifespan, you can spend less time and money on upkeep and more time enjoying your home.

Tougher than the elements.

🔥 Fire

Help prepare your home for the unpredictable with noncombustible siding that won't burn or ignite when exposed to a direct flame.

- Verified noncombustible per ASTM E136
- Will not contribute fuel to a fire
- Class A fire rated per ASTM E84, with a flame spread index / smoke developed index of less than 0/5
- Verified in wall assemblies with 1-hour and 2-hour fire-ratings per ASTM E119

💧 Water Resistant

From rain to ice to snow, precipitation patterns can lead to warping, swelling and cracking in wood-based siding. Take shelter from the storm knowing that your siding is built to resist water damage.

- FEMA Class 5 flood damage resistance (highest rating)
- Rated for use in High Velocity Hurricane zones by Miami-Dade County, Florida*

*Applies to most products by James Hardie. For full list go to: www.jameshardie.com/miami-dade-NOA

Pests

Creatures can wreak havoc on wood-based siding. It can be pecked by birds or be damaged by woodpeckers, termites and other pests. Hardie® fiber cement holds no appeal for these critters, saving you the maintenance hassle.

Building a Better Future for All™.

Building a Culture of Sustainability

Throughout our company and across our value chain, sustainability is foundational at James Hardie. Our sustainability goals are integrated into our business operations, governance structure and company culture. We have ambitious targets that align with our purpose of **Building a Better Future for All™**, the issues that matter most to our stakeholders and our overall corporate objectives. Our progress is possible through collaboration and innovation. From our frontline employees to the builders who use our products, each person plays a role in putting our sustainability initiatives into action.

Scan code to find out more about our sustainability efforts.

ADDING VALUE TO OUR COMMUNITIES

We recognize our ability to impact the communities in which we live and work. While maintaining a global mindset, we put great care into how our business affects local communities. We contribute by sourcing, employing, delivering and giving locally.

CREATING AN IMPACT

We invest in the local community and aim to locate the plants close to suppliers, customers and potential new employees, as well as sustainable transportation opportunities.

Above statistics are the James Hardie impact from fiscal year 2024.

SETTING AMBITIOUS GOALS AS RESPONSIBLE STEWARDS

Reducing Scope 1+2 Emission
Reduce absolute Scope 1+2 GHG emissions by 42% by 2030 from 2021 baseline and work towards net zero by 2050

Minimizing Waste
Zero manufacturing waste to landfill by 2035

Recycling Water
Recycle an additional 20M cubic feet of water per year by 2030, compared to 2019

Hardie™ Zone System

EXTERIOR SOLUTIONS INSPIRED BY NATURE. AND DESIGNED TO PROTECT YOUR HOME FROM IT.

Only Hardie® fiber cement exterior products are **Engineered for Climate®**, designed specifically with your climate zone in mind for optimal performance. In the northern USA and Canada, HZ5® products resist shrinking, swelling and cracking even after years of wet or freezing conditions. HZ10® products help protect homes from hot, humid conditions, blistering sun and more.

Made from durable raw materials, Hardie® fiber cement products are Engineered for Climate®, offering both resiliency and lasting beauty.

At the Panorama House in the mountains of Breckenridge, Hardie® siding is part of a project that is built for durability and resilience, while also providing a low maintenance solution.

Beauty begins with a finish that lasts.

PRIMER

A quality primer is the first step to ensuring that the paint color you select expresses your home's true beauty now – and for years to come. Our distinctive primer is climate tested and engineered to enhance the performance of paint on Hardie® fiber cement exterior solutions. It helps to provide consistent, long-lasting paint adhesion, even in the most demanding conditions.

COLORPLUS® TECHNOLOGY

ColorPlus® Technology finishes are fully cured on our boards in a controlled factory environment and arrive at your home ready for installation year-round. With prefinished color products, you'll have peace of mind, knowing you'll have a more consistent color and finish that doesn't depend on good weather.

With a variety of color options available to help bring your vision to life, ColorPlus® Technology finishes help keep your home looking beautiful longer.

- **Exceptional finish adhesion**
- **Superior color retention**
- **Superior UV resistance**

Find the perfect finish for your home.
