ColorPlus® Technology

Our advanced ColorPlus® Technology finishes deliver the ultimate in aesthetics and performance. Our products aren't simply painted at the factory. Multiple coats of color are baked onto the board, creating a vibrant, consistent finish for years of lasting character, adhesion and fade resistance.

Finishing Touches

ColorPlus® Technology Accessories

Touch-up Kits

Specially formulated to match ColorPlus® Technology finishes, our Touch-up Kits offer resistance to aging, color change and chalking. Included in the kits, Touch-up Pens conceal nail heads and very small nicks and scratches.

Color Matched Caulk

LePage QUAD® MAX sealant offers a high performance sealant solution to match Statement Collection™ product colors.

Accessories

Flat Tabs

Reduce nail holes and improve the aesthetic of trim applications around windows, doors and band boards.

Corner Tabs

Use corner tabs to eliminate face nail holes that would detract from the finished look of corner trim installations.
