Create Your Door

1 SELECT A DESIGN

2 SELECT A FINISH

Opt for a smooth finish if you plan to paint your door. If you prefer a more authentic look, choose the textured finish that resembles real wood.

3 SELECT A GLASS

Clear glass offers brilliant views while textured glass safeguards privacy—without sacrificing natural light. For greater versatility and control, choose mini blinds.

4 OPTIONAL CUSTOMIZATION

Add grids to match the style of your home and complement unique architectural details.
